Profile Summary

A dedicated **B.Com graduate** transitioning into IT as a **Full Stack Developer**. Skilled in **Java, Spring Boot, MySQL, React, HTML, CSS, and JavaScript**, with hands-on experience in building web applications and backend APIs. Recently completed a **Full Stack Development course**, gaining practical knowledge in developing responsive, user-friendly applications. Strongly motivated to apply my technical skills and adaptability to contribute to real-world software development projects.

Technical Skills

Programming Languages: Java, JavaScript

Frontend Technologies: HTML, CSS, React

Backend Technologies: Spring Boot

Database: MySQL

Version Control: Git, GitHub

Tools & IDEs: VS Code, IntelliJ IDEA, Eclipse

Other Skills: REST API Development, Responsive Web Design, Basic OOP Concepts

---

Projects

ONLINE NOTES APPLICATION |

Technologies: React, Spring Boot, MySQL, REST API

- *Developed a **full-stack web application** for creating, managing, and deleting personal notes.*

- *Implemented **user-friendly UI** using React with state management for smooth interactions.*

- *Built secure **backend REST APIs** with Spring Boot for note creation, retrieval, and deletion.*

- *Integrated **MySQL database** for persistent storage of user notes.*

- *Gained experience in **frontend-backend integration** and CRUD operations.*

PERSONAL PROTFOLIO

Technologies: HTML, CSS, JavaScript, React

- **Designed and developed a responsive personal portfolio website to showcase projects, skills, and achievements.**

- **Implemented clean UI/UX with modern styling to ensure mobile-friendly design.**

- **Added sections for About Me, Technical Skills, Projects, and Contact Information.**

- **Integrated clickable links to GitHub, LinkedIn, and Resume (PDF download).**

- **Demonstrated ability to build and deploy a professional web presence.**

Mini Projects

To-Do List Application

Technologies: React, JavaScript, HTML, CSS

- **Built a web-based to-do list app to manage daily tasks efficiently.**

- **Implemented features for adding, updating, and deleting tasks with a clean and responsive UI.**

- **Applied state management in React to handle dynamic task updates.**

- **Focused on user-friendly design and interactive experience.**

- **Strengthened understanding of frontend development and component-based architecture.**

Education
Bachelor of Commerce *Manonmainam Sundaranar University*
2019 – 2021

Certification
Master in Fullstack development *Fita Academy chennai*
June 2025
